

Dear business partners,

A fixed conversion between Euro and Slovak crown has been determinate in term of the introducing of the Euro currency in Slovakia. The exchange rate was determinate like that: 1 EUR = 30,1260 SKK. Therefore we recommend to check, whether you have set up this exchange rate in the exchange list of the ERIC Desktop, menu Services – Exchange list – Editing exchange rates.

Let us remind you, it is imperative that a bank with the Euro currency is created for show of the calculated prices in EUR currency and this bank has to be chosen in Services – Settings...- Tariffs in the item “Convert exchange list”.

Instruction for modules updating in the ERIC program

- Insert ERIC Desktop DVD of the version 09/2008 into DVD drive.
- Start the ERIC Desktop program (if you already run the program, you must quit it and start it again to release all modules from memory. Then you can follow next steps).
- Select the menu item Services / Modules update.
- In a dialogue box set path to directory „Modules“ on that DVD. This can be done by means of „Drive“ combo box, which contains a list of drivers that are connected to your PC.
- By pressing the „Select“ button, run the modules updating and follow the updating procedure instructions.
- In order to verify whether the update was done correctly you can compare the numbers of modules versions (in the „Help / About modules / About program“ menu item) with the version numbers in this bulletin.
- In case that you have received a new module into your license, you should do the standard update twice. Otherwise the new module will not work. (During the first update, the data in license will be changed and during the second update the corresponding module will be copied to your PC according to the mentioned license).

In case of any problems please contact Mrs. Jaroslava Tomkova on +420 587 439 239 or via e-mail jarka.tomkova@jerid.cz.
